

Grab and Go Food for Kids in New Haven and Hamden

The New Haven Public Schools and Hamden Public Schools Food Service Department will begin serving “Grab and Go” Breakfast and lunch meals on Monday March 16, 2020 during the closure of the public schools in response to the spread of COVID-19.

Because we know that many of our students rely on school to provide breakfast and lunch, we will be implementing a program similar to our Summer Meals program. Starting on Monday, March 16, we have made arrangements for any child ages 5-18 to pick up “To Go” meals at one of our three distribution locations: Hamden High, Hamden Middle and Church Street Schools. Meals will be available between 9:00-12:00, Monday-Friday.

What is it? The Food Service Department be serving breakfast and lunch at 37 schools sites throughout the city. Meals will distributed from either the front entry foyer or the bus entry.

Who is eligible? Students may pick up a meal at their local school so long as they are enrolled at any closed school. Meals are available for school students 18 years of age and younger. No identification is required to receive these meals.

Where can you go? In order to maintain social distancing, participants are encouraged to pick up meals from the school site most convenient to their home.
